THE ANSWER  
IS YES.

GEORGE  
SCHOOL

## A GEORGE SCHOOL EDUCATION IS PRICELESS, BUT IT MAY SEEM EXPENSIVE. MANY FAMILIES WONDER IF THEY CAN AFFORD IT. HERE'S WHY WE THINK YOU CAN:

**We meet the full demonstrated financial need of our families** as determined by NAIS best practices. And we do it with \$10+ million in grants—not loans—so you won't have debt after graduation.

**More than half of our students receive financial aid**, including many considered middle income. It's our mission to work with people at all income levels, so don't assume you won't qualify.

**In addition to need-based aid, we offer \$1,000–\$15,000 merit awards** (renewed annually) for students who demonstrate exceptional intelligence, optimism, curiosity, and leadership. Everyone who meets the admission application deadline is considered. No need to apply separately.

### THE PROCESS

Applying for financial aid at George School is straightforward.

- 1 Submit a financial aid application to School and Student Services (SSS) by January 15. Materials include the Parents' Financial Statement (PFS), W-2 forms, and tax returns (personal and, if applicable, corporate) with all schedules and statements.
- 2 Receive notification of financial aid status as determined by best practices with the admission decision on March 10.

**A George School education is an investment in the future**, one that has paid huge dividends for thousands of graduates. We invite you to talk to our financial aid officers to better understand GS affordability.
