GEORGE SCHOOL
EMPLOYEE VEHICLE REGISTRATION FORM

All employees are required to register their vehicles with the Emergency Services Department. You will receive a parking decal and your vehicle(s) will be assigned to a designated parking area.

Parking is limited on campus. Please display your parking decal and park in the area assigned. Parking decals are not transferrable. Thank you for your cooperation.

➡️   **PLEASE READ AND SIGN BELOW: PERSONAL PROPERTY DAMAGE**

The insurance that George School carries does not cover losses on personal property. Damage to property that is caused by factors that are outside of anyone's control are deemed "acts of God" by insurance companies, and are not covered even under tenant's, homeowner's, or automobile insurance policies. Because George School is a heavily wooded campus, and our parking lots tend to be situated in wooded areas, damages to cars from high winds and falling branches are the most common types of damage in this category. During particularly windy days, employees are encouraged to take the precaution of moving their cars away from wooded areas, and to park in areas such as in the parking lot next to the Fitness and Athletics Center.

I have read the above statement related to personal property damage at George School. (Please sign below)
