

# NONCUSTODIAL PARENT WAIVER PETITION

George School is committed to socio-economic diversity and strives to provide assistance, however, the primary financial responsibility is with the family. Parents and caregivers have an obligation to finance their children's education to the extent they are able. This philosophy is aligned with the methodology and principles of the National Association of Independent Schools (NAIS). The Financial Aid Committee will consider the financial resources of both biological parents, if living, before making an award. The Committee does not feel bound by the assertion, if it is made, that one parent is not legally responsible for educational expenses. If either natural parent remarries, we shall bear in mind the obligations of that parent to his or her new family. If the parent with custody remarries, we shall consider the resources of the stepparent. However, we shall bear in mind the obligations of the stepparent to his or her natural children. It is possible for George School to waive the noncustodial requirement in certain situations. The conditions under which we may consider waiving the noncustodial requirement are usually:

1. The noncustodial parent's whereabouts are unknown
2. The noncustodial parent has no contact, and has not had any contact, with the applicant over a period of years
3. The noncustodial parent provides no financial support to the student

This document is a petition requesting that George School waive the noncustodial parent requirement regarding the submission of financial aid application forms. Upon receipt of this petition, along with the requested documentation (detailed below), the Financial Aid Committee will review and respond to the request. Please complete the entire form, answering all questions and submitting all requested documentation.
